Experience

2019-2020
Fever.com

Web Development.

A home made development done by me from getting the access of projects from the world and have made more than 10+ projects of front end ui with satisfaction internation clients which made me realize how to work individually and effectively all alone.

2020 - Present
Dhawal Online Solutions Pvt. Ltd.

Front End Developer.

A service organization which made me sharp my skillset by working out their Platform. Work on some of the best technologies and got to learn more on some fresh and native UI development tools. The workout was so smart and effective with all of the positivity and growth is in so positive path.

Achievement

Qualified **UPSC - CDS 2021** with AIR - 64.

Won 1st rank in **National Quiz Championship** 2019.

Handle full Front end Project on my on.

Hit an impossible project target with strategy before the deadline successfully with team.

Handled my team while my boss was having day off for half of the month.

MORE TO COME...
